James Harrison Chapter Three

The Book of the Secrets of Enoch XVII

Of the singings of the angels, which it is impossible to describe.

IN the midst of the heavens I saw armed soldiers, serving the Lord, with tympana and organs, with incessant voice, with sweet voice, with sweet and incessant voice and various singing, which it is impossible to describe, and which astonishes every mind, so wonderful and marvelous is the singing of those angels, and I was delighted listening to it.

How Do You Listen (1 Kings 19:12)

"And after the earthquake a fire, but the Lord was not in the fire; and after the fire a sound of a gentle blowing."

Verse 1

Everyone is busy with no time to hear
If a word is spoken it will fall to deaf ears
How will you know what the Lord would say
With all decisions that you face today

Chorus

Every time I hear the music, everything becomes so clear

Verse 2

What about the wind when it blew so strong
An earthquake followed with the fire to come
But, my Lord was not found in these
Elijah found God in a gentle breeze

Verse 3

How do you listen and come to know
That God is there everywhere you go
His Word speaks much as a guide to life
And when you ask, He'll say what's right

Jessu, What Are You Like (Luke 2:46)

"And it came about that after three days they found Him in the temple, sitting in the midst of the teachers, both listening to them, and asking them questions."

Verse 1

On a rainy day

Clouds so dark and gray
I drift back in time
A place in my mind
Guess who I see
It's Jesus of Galilee
But, He's just a boy
A lad of twelve, no more

Verse 2

Jesus, what are You like
A question that may seem trite
James, Joseph, and Jude
All brothers, plus Simon, too
Did You all play sports
Throw a ball of sorts
Did You go to the Sea
To swim in Galilee

Verse 3

What about Your walk
Your spiritual touch with God
We know of the Temple at twelve
A few just beginning to dwell
Jesus, Son of man
But, more than the world could plan
Divine, only from God
Restoring man in love

Verse 4

Not all can see
Only a few believe
Jesus, I'm at a loss
At those who refuse the cross
What would it mean
To know at thirty-three
A life without sin
Sacrificed for all men

Verse 5

Well, I must return
Back to the future I come
The rain continues to fall
Giving life to all
It's within God's plan
Creating all around
Desiring fellowship
Loving man so much

God's Gift Of Love (Psalm 127:3)

"Behold, children are a gift of the Lord; the fruit of the womb is a reward."

Verse 1

When I held you in my arms and looked in your eyes
All the love within my heart just welled up inside
It's you
It's true
God's gift of love

Verse 2

When I saw you smile for the very first time
It felt like I had moved the clouds and found the sunshine
It's you
It's true
God's gift of love

Chorus

God, what You've given to me
Through love and creativity
A child, to care for and love
A blessing, straight from above

Verse 3

When I saw those big blue eyes and all those brown curls
I knew that I was living on the top of the world
It's you
It's true
God's gift of love

Verse 4

When I saw you take that very first step
The world was at your hands and I'm so overwhelmed
It's you
It's true
God's gift of love

Verse 5

When I heard you sing for the very first time
I knew that I had found an angel in disguise
It's you
It's true
God's gift of love

Verse 6

When I woke today, I guess I should have known
God's gift of love was already grown

It's you
It's true
God's gift of love

What Would The World Be Like Without The Love Of Jesus (2 Timothy 3:2-4)

"For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, unloving, irreconcilable, malicious gossip, without self-control, brutal, haters of good, treacherous, reckless, conceited, lovers of pleasure rather than lovers of God;"

Verse 1

What are the songs that I long to hear
About the One that brings me near
All the songs that I've memorized
Familiar tunes that just come to life

Chorus

What would the world be like without the love of Jesus

Verse 2

When my wife says I love you so
Would the world really even know
Is there any good thing from man
Or is it all within God's hand

Verse 3

Injustice and the greed of man
Cruel hate by man's own hand
Thank goodness, the world is not
Void of love from the ones of God

God Let Me Be With You (Galatians 5:14)

"For the whole Law is fulfilled in one word, in the statement, 'You shall love your neighbor as yourself.'"

Verse 1

What would you say to me if I told you that I'm free
Would you believe in love if I told you (it's) God above
Freed from the law and sin just through my faith in Him
What more could I ask than to find true love at last

Chorus

God let me be with You
(It's) everything I want to do

Verse 2

Everyday I wake to find, a brand new life one more time
Just one more chance to be, everything I could not see
Grace and mercy full, only makes it possible
Spirit of God it's You, come and fill me through and through

Verse 3

What more could I say, than to ask if you're ok
Do you know the God I trust, have you met him at the cross
Blessed by His grace abound, it's a whole new life I've found
Would you join my journey in, daily walks to God's Heaven

To Rest In Truth (Luke 1:79)

"To shine upon those who sit in darkness and the shadow of death, to guide our feet into the way of peace."

Verse 1

All the words that I could not say
All the times when I could not pray
You were there with a gentle touch
Loving me, just to show me so much

Chorus

It is You
Where I Long
To rest in truth
With Your peace and love
Rest in truth
Only from above

Verse 2

In the world, it is cold out there
On my shoulders, all the burdens I bear
When in You, fulfillment I find
Joy and hope, with the peace of mind

Verse 3

The light that shines is so bright and clear
If only we would lend an ear
Fooled by senses from time to time
But not in faith when I seek Your guide

Something (Habakkuk 1:5)

"Look among the nations! Observe! Be astonished! Wonder! Because I am doing something in your days — You would not believe if you were told."

Verse 1

Something in my life, fills my soul, lets me know, I'm in the light
Something in my heart, fills me with the love that the Spirit imparts

Chorus

Lord I'm talking about You
Something that I need is all of You

Verse 2

Something in my mind, lets me know that You're the only One for life
Something about Your love, it's the only thing that I never get enough

Verse 3

Something in my soul, lets me know the truth and the way to go
Something in the plan, tells of Your love and forgiveness of man

Trusting You Is Our Destiny (Proverbs 19:21)

"Many are the plans in a man's heart, but the counsel of the Lord, it will stand."

Verse 1

Is every leaf that falls to the ground
A picture of the life all around
Once young and green with a season to grow
Now color turned, facing winter snow

Chorus

All the things that we thought we knew
If only we had trusted You
The eyes of faith; all we need to see
Trusting You is our destiny

Verse 2

Kali leaves through the open back door
Where she goes, she does not know
She wanders "round," just like me
Without Your lead, as blind as can be

Verse 3

Look for tomorrow, but live for today
I plan my life like I choose my way

If I were wise and knew Your control
I'd rest in peace, watch Your glory unfold

Seeing Jesus When He Calls My Name (2 Corinthians 5:21)

"He made Him who knew no sin to be sin on our behalf, that we might become the righteousness of God in Him."

Verse 1

Every day I wake to find
A new chance to live my life
Just the way it ought to be
Seeing Jesus when He looks at me

Chorus

See no sin, it's Jesus I know
Redemption plan that God bestowed
All my costs; already been paid
Seeing Jesus when He calls my name

Verse 2

Trying so hard just to do my best
Falling short like all the rest
But I fail, still resolute
Knowing Jesus is my substitute

Verse 3

Every time I think of grace
Knowing Jesus took my place
I'm taken back by his act of love
Never repay, it's far too much

Free Choice Is God's Love (1 Chronicles 28:9)

"As for you, my son Solomon, know the God of your father, and serve Him with a whole heart and a willing mind; for the Lord searches all hearts, and understands every intent of the thoughts. If you seek Him, He will let you find Him; but if you forsake Him, He will reject you forever."

Verse 1

Free choice is God's love
Free choice is His will
God's gift to mortal man
To fall if he wills

Verse 2

God's plan for everyone

Is to choose their fate
Either love the Lord your God
Or walk away

Verse 3

I choose to know God's will
In decisions I make
But, I will change the plan
By my foolish mistakes

Verse 4

I know the God of love
I know His grace
So good to restore my life
When I seek His face

Verse 5

Free choice is God's love
Free choice is His will
God's gift to mortal man
To fall if he wills

Repeat

Free choice is God's love
Free choice is His will

Only God Can Meet The Need (Philippians 4:19)

"And my God shall supply all your needs according to His riches in glory in Christ Jesus."

Verse 1

My heart is heavy and I feel the pain
The world's stresses are here again
Where's all the money, where's all my time
Demands of life drive me out of my mind

Chorus

What's the world coming to
Where's the love that was meant for you
Only God can meet the need
Provide the peace for which we plead

Verse 2

I see the hate, I see the wrong
What kind of place does this world call home
Where is the love, the trust is gone
Where is the kindness that I used to know

Verse 3

I'm not the man that I used to be
My body tells me every day, you see
I'm not as sharp, I'm not as strong
The weak and feeble is where I belong

Life (Psalm 36:9)

"For with Thee is the fountain of life; in Thy light we see light."

Verse 1

All the world looked so dark to me
Without love, without hope, you see

Chorus

But then I found
The meaning of life

Verse 2

Full of greed, anger, and strife
Jealousy and destructive life

Chorus

But then I found
The meaning of life

Verse 3

The best of life, the best I can be
It falls short in the big scheme of things

Chorus

But when I know
Who is life

Verse 4

All worthwhile that's around I see
Positives that are uplifting

Chorus

And then I know
Who is life
